Who We Are:

First State Community Action Agency is a non-profit organization dedicated to helping people help themselves to a better way of life. We began operation in 1965 as Sussex County Community Action Agency. In 1993, we expanded our service area to include Kent and New Castle Counties and changed our name to First State Community Action Agency. The agency coordinates a variety of programs to assist those in need, and where programs do not exist, has worked to develop them. Tantamount to the concept of program development has been the involvement of low-income consumers in the planning of projects designed for their benefit.

What We Are Planning:

On Monday, November 18, 2019 we will celebrate 54 years of service with a dinner and recognition ceremony at the Dover Downs Hotel and Conference Center in Dover. The evening will feature a prominent and inspiring keynote speaker, **Laron Profit**, plus silent auctions, special music, gourmet food, and recognition of our community partners and loyal staff. This is the **major fundraiser** for the agency. This year we will honor **Bank of America** as our 2019 Community Partner and **Amy Walls of Discover Bank** with the prestigious Stanford L. Bratton award for leadership and service.

How You Can Help:

We invite your company or organization to take part in the celebration with a contribution that will also support ongoing efforts to diminish and ultimately erase the effects of poverty in our state. Your generosity will assist First State in providing a wide range of services that impact low-income families, individuals and communities. These include access to health services and nutritious food; meaningful employment and training opportunities; housing and community development, and access to adequate education including child development and adult literacy. Please join our continuing cause by returning the form below with your check to First State Community Action Agency, Attn: Sade' Truiett, P.O. Box 877, Georgetown, DE 19947. We thank you for your consideration and your support.
